

1. Place the Pink Pewter "Sarah" headband over your head with the accent piece centered on a side parting

2. Split your hair into 4 sections leaving the front bang sections loose. Create a loose simple braid on one side just behind the ear.

3. Pull the braid back and around to the opposite side and tuck it down under the headband elastic .

4. Repeat on the opposite side .

5. Now you are left with your 2 remaining sections.

6. Create a loose braid with one of the remaining sections and pull it to the opposite side tucking it down under the elastic

7. Repeat on opposite side .

You've now created your finished braided style
